

Meet Cassandra also known as Cassi.....

My name is Cassandra Smith. I prefer to go by Cassi. I was born and raised in Hudson, WI. I have a husband named Aaron, we have been married since 2017, but together since, 2009. We have a 6-year-old daughter, Everlee. I have worked at Oak Ridge Place Senior Living since 2010, as a Certified Nursing Assistant, and the last 3 years as the Activity Coordinator. Oak Ridge Place is managed by Integrity Senior Living Management, the same company that manages Briarcliff Apartments.

Some hobbies I enjoy are dancing, ice skating, camping, fishing, hiking, scuba diving, and being outdoors doing anything with my family. A few fun things about me are I have been dancing since I was 5, and teaching dance since I graduated high school in 2008, with the same studio. My favorite colors are purple and green. I love plants and have 8 orchids at home. I LOVE football, and I am a die-hard Green Bay Packer fan. Some of my interests are baking and enjoying spending time in the kitchen with my daughter.

And finally, my goal as Site Manager at Briarcliff Manor is to reintroduce a sense of community and to be your advocate to come to for questions, concerns and most importantly, to provide you with an overall feeling of support while managing the building operations.
